Minutes

Minutes of the May Annual Membership Meeting and the subsequent Directors Meeting were not available

Treasurers Report

Treasurer Lynn Schaller reported that funds in the account are currently slightly over \$4800.00.

4th of July Parade and Pitch-In

Councilor Christine Scales attended the event and stayed until 1pm, meeting many of our neighbors. Fire Engine Number 8 was also there, until it was called away. There were also guests from the Terra Vista neighborhood.

In all, there were an estimated 40 to 50 adults and kids.

Crime Watch

Terry reported that fourteen Crime Watch Block Captains are currently active.

There has been some spray-paint vandalism on the Crime Watch signs, as well as other signs and some vehicles.

It was suggested a list of block captains with their streets be posted on the Website.

Directory

Susan urged everyone to submit their directory info, saying there would be a cutoff this fall, prior to publication.

Infrastructure

Joe reported that Councilor Christine Scales has requested paving and sidewalk repair for 61st Street for the 2010 season. The Mayor is noncommittal on this, since the city is \$5 million behind in street and sidewalk repairs.

The 62nd Street Walkway is now complete on the north sidewalk from Broad Ripple Village to Keystone. Hoping for continuance to Binford soon.

Newsletter

Susan asked for contributions for the fall letter.

Speakers

Sherry will ask the owner of the shopping center on the northwest corner of 62nd and Allisonville about their problems attracting store tenants. She will also ask her to appear as a speaker at a future meeting.

Christine Scales will be asked to speak again soon.

DPW will be asked to send someone to talk about infrastructure improvements.

Adjournment

President Seiwert adjourned the meeting at 8pm.
